MEDEO MEMBERS' CLUB RULES:

- 1) Every fencing participant must be a current member of the USA Fencing Association (also known as USFA).
- 2) **Annual & Monthly Members** of Medeo must represent Medeo Fencing Club at every competition and must list Medeo Fencing Club as their primary club with the USFA and within the AskFRED.net competition database; except for college members who can list Medeo as their secondary club according to NCAA rules. Medeo competitive members should affix a Medeo patch on their uniform either on the non-dominant shoulder area or thigh. Medeo club-mates should not be coached when fencing against each other (by friends, teammates or coaches) at sanctioned events. Those who do not comply with these rules will not be considered member and will be charged as such.
- 3) **Monthly Members must report to the Medeo office on their first visit of each calendar month (or email before their first visit of the month) if planning to attend Medeo as a non-member for that calendar month.** As such, floor fees, class fees, and/or lesson fees MUST be paid on the day attended. Otherwise, a monthly membership fee will apply irrespective of lesson frequency and/or quantity during said month.
- 4) **All guest fencers must report to the Medeo office prior to fencing.**
- 5) **All fencers must wear full uniforms and safety under-armor** as per USA Fencing rules while bouting.
- 6) The fencing floor is a restricted area. All non-fencers must stay in designated seating or waiting areas. Bags, personal items and other items must not be left near fencing strips or on walkways. Bags should be kept on shelves across from mirrored wall. Fencing bags cannot be left on shelves overnight, since we need to be respectful of storage space for the next day's fencers.
- 7) Fencing weapons must be carried by the point or with point down if not in a fencing bag. Body cords should not be dragging on the floor. When unhooking from a strip, fencers cannot pull cords apart by the wires and must walk plugs back to reels. Any/all weapon straightening measures taken during bouting must occur only on the **blue or wooden areas** of the fencing floor.
- 8) **Use of weapons is a privilege, not a right.** The raising of a weapon nearby and in the direction of an unmasked person is **never** allowed. Such potentially dangerous and disrespectful acts including horseplay, any kind of abuse, and unnecessary roughness may result in expulsion from the club for a period of time determined by Medeo staff. All fencers and spectators are expected to report any unsafe activity to the staff.
- 9) All fencers **must** wear masks when using any targets; blades that break during target practice have been known to fly back into the student's face which could cause serious injury to eyes and/or face.
- 10) Students that are not beginners are urged to purchase their own mask, uniform, electric weapons and cords. Please sharpie your name on all items in case it
- 11) All members (and parents of students under 18) are expected to read the current edition of the Medeo FC Handbook. Please ask to receive by email. Initial here when received: _____.
- 12) All students who wish to cancel private lessons can do so without being charged **if canceled on the online schedule or with Medeo office or coach, at least 12 hours before the appointed time.** Emergencies will be considered on an individual basis.

--- (CONTINUED ON NEXT PAGE) ---

- 13) All fencers and students must respect and support fellow club fencers, coaches and members no matter what level or age. No fencer can refuse to fence another fencer during open-bouting practices unless medically unable, resting or packing to leave. Fellow club members should respect each other in and outside of club. This includes not being coached against a Medeo clubmate. (See #15.)
- 14) Students of group classes **must take the entire class** and will be charged accordingly **unless** they have a scheduled private lesson during that time; which must be indicated on the paper sign-in sheet manually. All other sign-ins must be logged in by the student on the laptop when you walk in. All class students have strip priority. Open bouting participants must yield to students in a group class.
- 15) Primary Medeo members cannot take private lessons with non-Medeo coaches outside of Medeo Fencing Club; and **cannot** accept coaching by non-Medeo Staff or clubmates when competing against other Medeo members (except for their academic school coach during school events). At sanctioned events, polite cheering is acceptable only when a bout between clubmates has ended.
- 16) Coaching fees for National and International events are expected to be paid & shared by attending club members (see Medeo handbook for details). If a student and/or parent refuse to share fees, they may not be coached by our staff & may lose membership status and risk being coached against when fencing those that have abided by our club rules and competitive expectations.
- 17) All fees are non-refundable and subject to change.
- 18) Any outstanding balances due are subject to late fees.

Adult members (or Parents & Guardians) must sign below after reading:

I, (print name) _____, Medeo member (or parent and/or guardian of the fencer listed on the previous page), have read rules 1-18 of this document and agree to abide by them. Any member (or parent of member) not adhering to the rules may be considered a non-member and charged as such.
